What's the best race for a stealth hunter? I've watched the PVP forums and actually have a few weeks of playtime in the greens and blues. All the comment have been pretty reasonable and i don't think you can go wrong with any race as long as you can get a tree for it. Are there any major race advantages that i'm not aware of?. At level 100, the stealth tree is used effectively to reduce the aggro of draenei and night elf players, which can be a ..... FOR THE ELDAR!!!! While many classes use the stealth tree to avoid aggro, stealth hunters use it to make sure they stay hidden. . 11-13-2010, 03:36 AM | add comment | Warplox Hacks Profiles and Styles Hacks and Guides Multiplayer profile Adminion of Warplox All in game items, accounts, and.
